

**A comprehensive one stop shop for all your event needs including product launches, live functions, festivals and live concerts, theatre shows and community events.**

Australian Events and Entertainment has aligned itself with [PUA Audio Systems](#) , [Shatter the Darkness Lighting](#)

and

[The Media Men](#)

(TV Production and Audio Visual experts), to offer clients a comprehensive one stop shop for all their event needs including product launches, live functions, festivals and live concerts, theatre shows and community events.

Collectively they have worked on projects including the Ipswich Festival, Celebrations at Southbank Parklands, multi stage events for Queensland Week Celebrations in Roma St Parklands , New Years Eve at South Bank, Paradise Pt and many more. For television, production credits include “The Ultimate Event” starring Frank Sinatra and Whitney Houston, producing a top rating series in Mandarin for STAR TV, directing a live three hour production live to Japan (yep.. in Japanese !) and directing the 23 camera live coverage of the arrival of the Olympic torch in Sydney for the Seven Network.

In 2010, PUA were extremely proud to be production suppliers for the Australia Day Celebrations at South Bank Parklands and equally as proud to supply audio services for the Delfin-Springfield Lakes Music at Dusk concert series. As a team, Australian Events and Entertainment presented "Oh, What a Night," New Years Eve celebrations at Paradise Pt. 2010 in front of 20 000 people.
